

Natural Healing with Essential Oils

with Marty Harger and Nicole Larsen,
Experienced Essential Oil Users

dōTERRA

Essential Oils have been used in natural healing for thousands of years throughout the world. The amazing healing power of nature's plants are available to you and your family right now – if you know where to turn for the highest quality oils. Join us to experience the oils and begin exploring new, natural approaches to your family's health and wellbeing!

dōTERRA Essential Wellness products are made from *Certified Pure Therapeutic Grade™* essential oils. Discover how to empower yourself and your family to make better, natural choices that address your on-going health needs.

Experience essential oils, skin care products and more!

Bring your friends and enjoy a morning of learning together!

In this **FREE** Essential Oils 101 class, you will learn:

- Essential Oils vs fragrances
- Why using Certified Pure Therapeutic Grade oils makes a difference
 - How to use these oils on, in or around your body for wellbeing
 - Key essential oils to use and have readily available
 - A natural approach to healthy skin
 - Immune-enhancing choices for increased vitality

Monday, March 15th ---10:00 a.m.

Vitalize Community Studio
